# EU Brokerage Event on KETs\* in Horizon 2020

## Find your partner for your R&D projects and technological cooperation!

The French and German National Contact Points (NCPs) and Enterprise Europe Network (EEN) Alsace, in collaboration with the Europe Alsace Network, will organise an EU Brokerage Event on KETs in Horizon 2020.

This event dedicated to Key Enabling Technologies will target upcoming calls in the following thematic fields:

- Advanced manufacturing and processing
  - Energy efficiency in Buildings (PPP EeB)
  - Factories of the Future (PPP FoF)
  - Sustainable process industries (PPP SPIRE)
- Advanced materials
- Nanotechnologies
- Biotechnologies

### European Brokerage Event

The objectives of the brokerage event are to present the European Union's new NMBP Work Programme 2016 – 2017 of the Framework Programme for Research and Innovation "Horizon 2020" and to prepare future co-operations between participants.

### How can I apply?

- Fill out my on-line registration form
- Submit my partnership profile
- Select workshops and B2B meetings
- Receive my preliminary schedule

### Deadlines

- Registration and profile submission:  
**15<sup>th</sup> September 2015**
- Meetings selection:  
**1<sup>st</sup> September - 25<sup>th</sup> September**

The event is free of charge but registration is mandatory.

Early registration is recommended since the number of participants is limited.

### When :

Tuesday, 6th of October 2015

### Location :

Strasbourg, Maison de la Région - France

### Agenda :

- 1) Registration and coffee
- 2) **Plenary session**
- 3) **Parallel workshops with speed participants presentation**
- 4) Lunch and networking
- 5) **B2B meetings and exhibition**

Participants will have the opportunity to present their own project concepts and to meet representatives from companies/SMEs, universities and research organisations in order to exchange ideas during pre-arranged meetings with the aim of paving the way for **future co-operations and European projects including call topics for 2016 and 2017**. Brokerage activity support will be offered by representatives of National Contact Points and the members of the Enterprise Europe Network.
