

**29 SEPTEMBER -  
2 OCTOBER 2015  
MILAN ITALY**

## YOUR EVENT FOR LIFE, SCIENCES, INDUSTRY, PARTNERING AND NETWORKING

Meet in Italy will open with two days dedicated to bilateral meetings between FIRMS, RESEARCHERS and EUROPEAN INVESTORS interested in new opportunities for technological and/or commercial collaboration. The third day will be fully dedicated to discussions on the growth dynamics of the sector.

### Objectives:

- To offer visibility and international opportunities for firms, innovative start-ups and other players, creating a national-level event dedicated to Life Sciences.
- To create a forum for discussions between public and private stakeholders of the Life Sciences sector (ministries, regions, sector associations, technology parks and districts, other organisations).

### Sectors involved:

- Biotechnologies
- Medical devices
- Pharmaceuticals and nutraceuticals
- ICT for health
- Related services and activities

On the 29<sup>th</sup> of September, the afternoon session will be dedicated to B2B opportunities with South-East Asian firms.
