General Information

Short summary

The Polish company offering high quality upholstered and box furniture is searching for cooperation.

Full description

The company has been established in 2008 and it is specialised in production of upholstered and box furniture for luxury restaurants, hotels, ships. The entrepreneur is also open for collaboration with companies interested in outsourcing services. The producer mainly realises contractual projects such as equipping of hotels, restaurants, cruise ships, guesthouses, offices and many other facilities of public utility.

The company's offer includes:

- armchairs
- chairs
- sofas
- sofa beds
- bar stools
- upholstered benches
- continental beds.

It may also offers a wide range of furniture from the catalogue of its products or produce them according to individual, unique designs. The company guarantees the clients a high-quality workmanship, the best manufacturing materials, modern design and, above all, professional and comprehensive customer service and consulting. The company is expecting cooperation with architects responsible for the interior design of the new facilities as well.

Advantages and innovations

- high quality furniture: both upholstered and box furniture,
- precision, unique design offered products,
- individual projects realised on the basis of customers' requirements,
- own highly automated production hall,
- professional staff involved in the (international) development of the company,
