

# BROKERAGE EVENT

## 18th and 19th November

**Smart City Expo World Congress (SCEWC)** has become “the place to be” for the smart city industry. The 2014 edition recorded its best-ever figures with 10,838 visitors, 275 exhibitors and 370 speakers coming from 92 countries.

After a successful first edition, the **SCEWC Brokerage Event** is organized again by ACCIÓ, the business support agency of the Catalan Government, with the support of the Enterprise Europe Network.

The aim of the Brokerage Event is to assist SMEs, start-ups, entrepreneurs, universities, research groups, corporations, institutions and cities in **finding international partners** for product development, manufacturing and licensing agreements, joint ventures or other types of partnership.

### How to participate

- **Register until 6th November** and submit a cooperation profile with a description of your offer or request.
- **Request meetings from 19th October to 9th November** to other participants.
- **Scheduling** of 30-minute meetings according to companies' availability
- **Agenda** with individual meetings will be sent via e-mail a few days prior to the event.

**Visitor pass 50% discount will be delivered to all active participants with a minimum of 2 accepted meetings on their brokerage meeting schedule.**
