Field	To be completed
<b>Title</b>	EdoLike SRL
<b>Summary</b>	<p>EdoLike SRL is a Romanian private small company importing mainly small compact Japanese tractors from Japan and implements from India and China.</p> <p>All these equipments are placed on the Romanian market place directly to the final customers. In this way the company cuts the intermediated costs so that the Romanian users of Agriculture Machinery have access to the best price knowing the financial problems that small Romanian farmers face.</p>
<b>Advantages and Innovations</b>	<p>The main business idea was that Romanian small farmers to have access to the affordable small agricultural machineries transferring what are in excess from Japanese farmers to Romanian ones directly. So, the company delivered more than 500 machineries and implements to Romanian small farmers and the company had zero complaints from them during the last 3 years.</p> <p>Edolike SRL offers the small compact Japanese tractor, which is very useful for Romanian individual farmers knowing the lack of workforce, at the small price actually not only in Romania actually in the Europe.</p>
<b>Description</b>	<p>Edolike SRL has experience of 3+ years on the activity of importing small agricultural equipment mainly from Japan. It is well known that the small Japanese tractors are the best in the world. Even the used compact tractors could be more reliable than the new one manufactured by other traditional manufacturers. Also the capacity of these tractors fits perfectly the size of the small Romanian farms.</p> <p>The company is proud to help its customers (Romanian small farms) to keep alive their production which is very beneficial taking into account that usually the small farms produce the bio healthy products.</p> <p>Now the company is looking to expand the business by creating a</p>

	partnership with Japanese Green Tea farmers in order to help them to place their products to Romanian consumers.
